GROUP GUIDELINES

- Meetings will be every month and will last for two hours.
- Meetings will always start and finish on time. (Please plan to arrive at least 5 minutes early)
- Because of the nature of a Mastermind group, after the first introductory session a commitment of one year is required. Your Mastermind group members rely upon your participation, and you want to know that they are going to be there for you, too.
- Each member is highly motivated to ask for help and support, and is willing to give help and support to other members.
- Each member will strictly adhere to the confidentiality agreement (what's said and done in Mastermind group, stays in Mastermind group).
- The Mastermind group is not a place to try to directly sell your product or service.
- It is understood that the purpose of the hot seat is to give suggestions and feedback, but that the person in the hot seat is an adult and will make up their own mind about which advice they will put into practice.
- The Mastermind group does not lend itself to discussion regarding politics or religion.
